#### Independent Auditor's Report

To the members of PAL Ottawa;

#### **Qualified Opinion**

We have audited the accompanying financial statements of PAL Ottawa, which comprise the statement of financial position as at December 31, 2019, and the statement of operations and changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of PAL Ottawa as at December 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### Basis for Qualified Opinion

In common with many not-for-profit organizations, PAL Ottawa derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of PAL Ottawa. Therefore, we were not able to determine whether any adjustments might be necessary to recorded donations, excess of revenues over expenditures and cash flows from operations for the year ended December 31, 2019, current assets as at December 31, 2019, and net assets balances as at January 1 and December 31 for both the 2019 and 2018 years.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of PAL Ottawa in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing PAL Ottawa's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management, either intends to liquidate PAL Ottawa or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing PAL Ottawa's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PAL Ottawa's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on PAL Ottawa's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause PAL Ottawa to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

On behalf of the Board,

Director

#### **PAL Ottawa**

#### **Notes to Financial Statements**

Year ended December 31, 2019

#### 1 - NATURE OF OPERATIONS

PAL Ottawa (the "Organization") was incorporated without share capital on June 18, 2012 under the Canada Not-for-profit Corporations Act and is a registered charity that is exempt from income tax under the Income Tax Act. Its purpose is to provide senior members of the Capital Region's arts community with essentials such as personal care services, links to the local arts community and affordable housing so that they may live with dignity within a caring community.

#### 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of presentation

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies are as follows:

#### Accounting estimates

When preparing financial statements according to ASNPO, the Organization makes estimates and assumptions relating to the reported amounts of assets and liabilities.

Management's assumptions are based on a number of factors, including historical experience, current events and actions that the Organization may undertake in the future, and other assumptions that we believe are reasonable under the circumstances. Actual results could differ from those estimates under different conditions and assumptions. Estimates were used when accounting for certain items, such as the membership fees payable.

#### Revenue recognition

The Organization follows the deferral method of accounting for revenue. Grants officially approved by the funding agency but not received at the end of the period are recorded as accounts receivable. When a grant relates to a future period, the amount is deferred and recognized in the period in which the related expenses are incurred.

Membership fees are recognized as revenue on a straight-line basis over the twelve-month period in which the related services are provided. Amounts collected in advance are shown as deferred contributions.

Fundraising revenues are recognized as revenue when the event has occurred, the amount can be estimated and collection is reasonably assured.

Donations and interest revenue are recognized as revenue when received or receivable if the amount can be estimated and collection is reasonably assured.

#### Financial assets and liabilities

All assets and liabilities are financial instruments, and are initially recorded at fair value and are subsequently carried at amortized cost (including any impairment in the case of financial assets).

The financial assets measured at amortized cost include cash, term deposits and supporter receivables.

The financial liabilities measured at amortized cost are accounts payable.

#### 3 - GOVERNMENT ASSISTANCE

Grant revenue has all been received from the Community Foundation of Ottawa.

#### 4 - TRADE AND OTHER RECEIVABLES

Supporters Sales tax receivable

| Ending balance                   |             | 902            | 9,508        | 10,410   |

#### 6 - FINANCIAL INSTRUMENTS

#### Financial risks

The Organization's main financial risk exposure are as follows:

#### Credit risk

Credit risk is the potential for financial loss should a counter-party in a transaction fall to meet its obligations. The Organization places its cash with high quality institutions and believes its exposure is not significant. The Organization establishes allowances for doubtful accounts while keeping in mind the specific credit risk of specific trade receivables, their historic tendancies and the economic situation.

#### Liquidity risk

Liquidity risk is the risk that the Organization will not be able to meet its obligations as they become due. The Organization is exposed to this risk mainly in respect of its accounts payable and believes its exposure is not significant. The Organization's ability to meet obligations depends on the receipt of funds from its operations.

#### 7 - SUBSEQUENT EVENTS

Commencing in March 2029, the Governments of Canada and Ontario, as well as most foreign governments, instituted emergency measures as a result of the COVID-19 virus. This virus has had a major impact on the Canadian and international securities and currency markets, as well as consumer activities, which could significantly impact the Organization's financial position, as well as the results of operations and cash flows. It is currently impossible to estimate the full impact of this virus. No adjustments have been made to these financial statements in relation to the COVID-19 virus.

#### 8 - COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform with the presentation adopted in the current year.
